

# Safety Datasheet: GoMowe Grinding Compound/Spray

## Section 1: Identification of the Substance/Mixture and the Company

- **Product Name:** GoMowe Grinding Spray
- **Address:** GoMowe ApS, Lysenvej 4, 7870 Roslev, Denmark
- **Company Registration Number (CVR):** DK44212366
- **Application of the Substance/Chemical Mixture:** Abrasive for cylinder mowers

## Section 2: Hazard Identification

- **Classification of the Substance or Mixture:** Not classified as hazardous.
- **Label Elements:** No special labeling required.
- **Other Hazards:** None known.

## Section 3: Composition/Information on Ingredients

- **Ingredients:** 95% food-grade oil, 5% silicon carbide.

## Section 4: First Aid Measures

- **Eye Contact:** Rinse immediately with plenty of water for several minutes. Remove contact lenses if present.
- **Skin Contact:** Wash with water and soap.
- **Ingestion:** Consult a doctor if discomfort occurs.

## Section 5: Firefighting Measures

- **Suitable Extinguishing Media:** Use CO<sub>2</sub>, foam, dry chemical, or water spray.
- **Specific Hazards Arising from the Substance or Mixture:** None known.

## Section 6: Accidental Release Measures

- **Personal Precautions:** Wear safety goggles.
- **Environmental Precautions:** Avoid discharge into the environment.
- **Methods and Materials for Containment and Cleaning Up:** Collect and dispose of in accordance with local regulations.

## Section 7: Handling and Storage

- **Precautions for Safe Handling:** Avoid contact with eyes and skin.
- **Conditions for Safe Storage:** Store in a cool, dry, and frost-free place.

## Section 8: Exposure Controls/Personal Protection

- **Personal Protective Equipment:** Safety goggles should be used during application.

## Section 9: Physical and Chemical Properties

- **Appearance:** Clear liquid with silicon carbide sediment.
- **Solubility:** Information not available.

## Section 10: Stability and Reactivity

- **Stability:** Stable under normal conditions.
- **Hazardous Reactions:** None known.

## Section 11: Toxicological Information

- **Acute and Delayed Symptoms and Effects:** No known significant effects or critical hazards.

## Section 12: Ecological Information

- **Ecotoxicity:** No data available.
- **Biodegradability:** Not determined.

## Section 13: Disposal Considerations

- **Waste Handling:** Dispose of in accordance with local and national regulations.

## Section 14: Transport Information

- **Transport Classification:** Not classified as hazardous.
